

## ONLY BYLAWS ATTACKED THOSE FOR READJUSTMENT OF LAST YEAR'S MUDDLES

Acting Mayor States at Ratepayers' Meeting Only Way to Get Local Improvements to Pass Working Capital Scheme—Large Attendance Listens Attentively to Details of Proposed Season's Work.

Much valuable information bearing on the many bylaws and the two street命名 schemes was presented by several hundred ratepayers in the Edmonton auditorium last night. The only bylaws that were attacked by several of the speakers were those for the adjustment of the city's financial and working capital account.

The first speaker of the evening was Deputy Mayor Driscoll, who defined his role primarily as that of the continuous money bylaw. He explained fully the working capital account. "If you don't want it, then we can't give you your local improvements," he said. "It is the only way that the emphasis may in which the situation was put by the deputy mayor. In speaking of the three bylaws which are intended to lead to a large amount of work on the local improvements done last year, he informed the ratepayers that they need not worry about these three bylaws being sold should they be carried Monday as the day they are to be voted on.

### ACID STOMACHS ARE DANGEROUS

**Common Sense** Advice by a Distinguished Specialist.

"Acid stomachs are dangerous because acid irritates and inflames the abdominal lining, causing much hindering and preventing the proper action of the stomach and leading to probably mischief of the body from which people suffer. Ordinary medicines and treatments are useless. In such cases, for they leave the body of the trouble and add to it. Stomach, as dangerous as ever. The acid must be neutralized, and its formation prevented, and the best thing for this purpose is a simple antacid taken in little warm or cold water after eating, which not only neutralizes the acid, but also prevents the acid from which acid is developed. Acid, which ordinarily causes greatest distress may be eaten with impunity if the meat is followed with a little bisected meal, which can be obtained from any druggist, and should always be kept handy."

sollicit would insert a clause next week when the bylaws have been given its third reading. It will then be up to the voice of these three issues. He referred to the park improvements in brief, stating that this was one of the planks in his platform and that he was washed in on the same. The park improvements were selected by the council had been approved by the cemetery commission, that there is no more space in the present cemetery, and that strongly the park improvements of passing time.

R. B. Chadwick was the next speaker, and in a brief address he placed before the meeting the importance of the park improvements and had to be held. "I have used 'Fruit-a-lives' and I have not had another attack since. I am now completely rid of Indigestion," said he.

"Fruit-a-lives" is the only remedy I ever used that did me any good, and I am grateful to 'Fruit-a-lives' for making me as well as I am now, and I wish to add that I look in fruitless health.

My husband likes 'Fruit-a-lives' very much and takes them whenever he has a desire to use a remedy for the boys of the city. He supported strongly the proposed park oath and hoped that on Monday the ratepayers would see that the money is voted for these three bylaws.

### Fruit-a-lives Necessary.

G. R. Jackson, the supervisor of playgrounds, also talked of the need of playgrounds in the city. He said that boys and girls are the most important factor in the development of the city, and therefore over water, sewer or pavements. The advantages of supervised playgrounds were very plainly demonstrated, and he urged the parents providing these where the boys and girls may work off their surplus energy. "Industries suitable to the cities of this country," he said, "are those which use the products of the land produced in great quantities, and in assisting them in every practical way the cities would be laying the most permanent and secure foundation for their future prosperity."

Mrs. D. McDowell, president of the 'Fruit-a-lives' club, told the audience she had a box for \$2.50 trial size, \$2.00, or will be sent to any address on receipt of price by 'Fruit-a-lives' Limited, Ottawa.

### Street Naming Schemes.

Alf. Stambough took up the street naming scheme. "If you want to name a street in the city, then the person who suggested it, after having briefly cited that a large portion of the city under this system will have names ordinary, allowed, names for minutes each, and when Dr. Revell's turn came of the ratepayers had left for home."

### North Edmonton Meeting.

The bylaws were explained to the North Edmonton ratepayers assembled in the city hall on Wednesday evening.

In speaking of the working capital as proposed, he said that this is a radical change in the methods of financing local improvements. He explained, after having briefly cited that a large portion of the city under this system will have names ordinary, allowed, names for minutes each, and when Dr. Revell's turn came of the ratepayers had left for home."

OTTAWA, April 1.—A committee on the National Transcontinental railway which had become somewhat dull during the past few days lived up yesterday afternoon and evening. The debate was opened early in the afternoon in the main hall, and continued until the early hours of Friday morning, when Premier Borden and Sir Wilfrid Laurier spoke.

## THE GAY WORLD.

Mr. and Mrs. T. Atwood Davies entertained at a little informal bridge party.

Mr. and Mrs. Marriott are entertaining this evening in honor of their guest, Mr. and Mrs. Kell.

Mrs. Maurice Kliment, south side, has issued invitations for tea to numerous officers.

Major L. E. Parkinson, No. 14000P, has issued invitations for the last Cinderella dance of the season on Wednesday evening, April 8.

Mrs. D. Sonne was here visiting Mrs. W. M. Grogan returns to Edmonton Tuesday morning.

Mrs. Daniel J. Simons pretty home in the Highlands was the objective point for many Edmonton ladies yesterday afternoon. On the occasion of the first time in her new residence, Mrs. Simons was wearing a becoming toilette of plum colored satin trimmed with lace and satin, and the score cards were utterly disregarded.

At the tea hour the winners of the prizes and their partners occupied the tables, while others dined with marguerites and yellow daffodils, while the remaining guests were seated at smaller tables similarly decorated with yellow ribbons and sticks and yellow ribbons, and they also proved another April first surprise, as the guests with shrieks of laughter tried to eat their food with these score cards.

Quantities of palms palms and cut flowers were in tasteful profusion throughout the drawing and reception rooms.

The tea table with handsome lace cloth was centered by baskets of sweet pearl white cake, and each of the tables had a dolting basket of the same fragrant blossoms all in Easter shades, was presided over by Mrs. Y. J. Sherrill and Mrs. E. W. Morehouse, assisted by Mrs. Hardisty and Miss Marcell Hardisty.

Little Miss Nora Simons, charming in white evening dress, with a lace collar and hair in waves, spent the day for the visitors. More than one hundred friends dropped in to pay their devotions to the hostess.

Mr. W. L. Richardson, superintendent of the technical school who has been visiting his sister, Mrs. Dodds, Mount Royal, Calvary, has returned to the city.

Mrs. Cameron of Minneapolis, who has been visiting her daughter, Miss MacLean, in the Hotel Alberta, has spent the day evening for Calvary where she will visit friends a few days before returning to the north.

Mrs. James East was hostess yesterday afternoon at a most enjoyable party when everything was perfect. Mr. and Mrs. Smith and their relatives from the moment the guests appeared to the time they bid their hostess a reluctant "au revoir."

Mr. East's wife dressed blue charming satin with white lace border and sleeves, and a "fool's cap" of yellow on her head and bestowed the same kind of a cap upon each guest as she arrived. Seven tables were set for the dinner with the result that Mrs. W. E. Cox, Mrs. C. Nairn, Mrs. H. B. Drew and Mrs. L. K. Brown were the lucky players, while Mr. and Mrs. Margaret Stark, Mrs. Mrs. Broadus, Mrs. Reginald Smith and Miss Maude McKeyness were the tea-jesters.

## CITY DONS GALA ATTIRE FOR HORSE SHOW OPENING

With the opening of the Edmonton Spring Horse show tomorrow, the downtown business section will be viewed in its most brilliant and colorfully decorated in the history of Edmonton. Many days previous, thoughtful minds have been preparing to make the most elaborate displays and costumes as it is now apparent that the new window display will be a success.

Alex Livingstone, proprietor, and manager of the magnificent dry goods emporium has given his department for the most elaborate displays and costumes as it is now apparent that the new window display will be a success.

A visit to the Caledonian at the present time is especially inviting, interesting and informative for one to learn all the latest of spring's garment in the new and pretty goods, one learns what is newest and best in spring styles and with the tendency toward more elaborate window displays.

Among the stores which suitable mention can be made are The Acme company, Summerside, Hardisty, Haleson, Bay company, Johnston, Walker, The Bon-ton store, Hepburn's, Decheno and McNeil, Jackson Bros., Hooper and Whiteton, and Ash Bros.

Gained Reputation.

The Caledonian window display, dry goods and ready-to-wear store, has long since gained an enviable reputation for its leadership in the field of fashion, tailoring establishments, harness shops with great varieties of that which every boy and girl needs, and lady's ready-to-wear.

The first two mentioned are to be found on the main floor, near the large entrance, and the third is located on the second floor which commands the splendid light necessary for the proper display of the delicate garments and coloring of the latest fashions.

Elegantly attractive are the French plaids, broken plaids and black and white checks which have been so popular among the better girls in the city.

Broaded silks, poplins and moles have come much into favor for spring, and these are to be found in the Caledonian in special variety, occupying the two spacious sections within easy access to all patrons.

On the second floor are found the men's, women's, drapery and fancy goods departments, the staple section occupying a large space in the east corner of the store in Clara street. A large room is used for the display of home furniture and all other household articles.

Men's Clothing Department.

A large men's clothing and foot wear department occupies the entire west end of the second floor, while the boys' clothing and furnishings are given special showing in a separate department near the entrance to the second floor.

On the second floor, gained by a broad, easy stairway, is found that all important and ever-attractive department, the lady's ready-to-wear.

Livingstone's Caledonian ready-to-wear garments have long since won a warm place in the hearts of Edmontonians, due to the constant growth of business in that department.

This is largely due to the very amateurish models and reasonable prices shown in the display.

Cheerful styles in ladies' money and the smart "Mildred" brand suits and coats are ever attracting particular persons who patronize the Caledonian's second floor to view the newest goods and

## Eskimos Take Big Lead in Bowling Finals: Champion Heavyweight Wrestler Will Appear in Edmonton

### ESKIMOS TAKE THREE GAMES FROM ALBERTAS IN BOWLING FINALS

Immense Crowd See First Three Games in Championship Series  
Miller, Murchie and Matthews Were High Men—Final Series Friday.

Several hundred bowling enthusiasts were present at the Olympic Alleys last night to see the first three games of the Eskimos-Albertas battle. The Albertas and Eskimos had all though the crowd was large and the applause loud at times, and the rooting in spots of a real lively nature, the games themselves were anything but out of the ordinary.

The Eskimos grabbed all three of them and nothing short of death and destruction can prevent them from winning another game. The results when the teams met again Friday night. The fact that there was but one player left them for 200, goes to prove the fact that there was no external alibi in the world and out side of the fact that they were championship games, they were no better than many league contests seen this winter.

Bert Miller, a persistent rooster for the Albertas, but even this did not turn the tide of defeat, as Bert Miller and Bill Matthews were very much up and towed steady games throughout the meeting. Miller was high aggregate with 548, Matthews getting 531, among them a 200 score, and Murchie of the Albertas got a

### QUEBEC HOCKEY CLUB WILL DRAFT PLAYER TO COAST

Club Finished With Small Surplus—Offers Made for Players.

Quebec, April 2.—A special meeting of the executive of the Quebec Hockey club held at the Victoria hotel has decided to go into the business of drafting players with whom it can be expected to pull out for straight wins which are necessary to win the title but stranger things than that have happened, and the very reason some players the club would withdraw from draft by the Pacific league, resulted in the executive not taking any action on the matter.

**Different to Choose.**

The club has an offer of \$1,000 from the Vancouver club for Tommy Smith and another of \$1,000 from the Ontario club willing to exchange Jacob McDonald to Quebec for Smith, and then add their intention being to play exhibition games in the motherland next fall. While the proposed trip is still in the air, there is every indication that it will be through and that English football players will get a taste of the Canadian game as played only by the Jungle Kings.

**Joe Rivers** managed to win two out of 20 rounds, and draw in another, against Freddie Welsh, and then admitted that he was defeated.

Some Mexicans know when they are beaten.

**Joe's a Mex, you know.**

Battling Levinsky claims that he took ill from drinking water in Milwaukee, which is an effort, we suspect, to increase the demand for the stuff that made Milwaukee famous.

As matters stand, it is not impossible that Smith will be retained by Quebec. According to the agreement reached between the N.H.A. and P.C.L.A., local clubs have until April 15 to name three players whom they intend reserving from the draft so Quebec will take advantage of this if they were unable to come to an agreement with the man at last night's meeting.

**Club Has Small Surplus.**

Borders has over 100 men, drafted the executive having a draft report from Secretary B. J. Kaln of the season's operations, including the post season series in New York.

To the surprise of small surprise, despite the fact that they were paying much in excess of the other N.H.A. clubs in respect to salaries, was undoubtedly against them, as they had no kick of any kind coming. At Regina, the enthusiasm was tremendous, as the young men who had been three of four thousand people in a procession that included a brass band, the city council and fully 50 automobiles. "If we had won, we might not have had a party," said Mr. Hubbard, "but the arrangements made for our entertainment proved we would have been royally treated anyway. Now Arthur and Port Arthur are also represented and handily entertained. They surely know how to do things in the west."

Mr. Hubbard, manager of the Houston club, knocked McGraw down as the result. It is said, of the remarks on the coaching line which Newman received.

Beaumont, Texas, April 2.—John J. McGraw, manager of the New York Giants, yesterday received the following telegram from the owners of the Houston Texas league club:

"After thorough investigation of the charges you made, we place on our grounds yesterday we have, for the part which Newman took in the same, suspended him indefinitely, and fined him \$50."

Paul Newman, manager of the Houston club, knocked McGraw down as the result. It is said, of the remarks on the coaching line which Newman received.

San Antonio, Texas, April 2.—Rube Waddell, the famous left hand pitcher, died here yesterday. He had been ill for months with tuberculosis.

Montreal, April 2.—The Cleveland American League team yesterday won from the Atlantic Southern association club here 4 to 1.

Beaumont, Texas, April 2.—The New York Nationals won from Beaumont yesterday 5 to 2.

## PUBLIC NOTICE

NOTICE TO VOTERS who have  
no polling station assigned to them  
in the voters' list.

These votes can be polled at  
whatever polling station is most  
convenient to you to vote, but a  
declaration will be required that  
they have not voted elsewhere.

At the same time as the money  
is paid for the ballot, a receipt  
will be taken on street numbers  
in the following form:

Which do you favor?

- (a) The all-numerical scheme of  
post offices which are in the centre of the city.
- (b) The scheme of Edmonton, a  
partly numerical and partly  
name scheme. It includes a number  
in the two cases, and a name  
in the city, one on each side of the  
river.

Tickets voting hours will be 9 a.m.  
to 5 p.m. instead of 10 a.m. to 5 p.m.  
as previously advertised.

OVER MILLION EXPENDED  
ON LATERAL SEWER WORK

West End of City Will Get Bulk  
of Paving if Bylaw  
Carries.

Several questions were put to the  
different heads of the department, relating  
to the particular sections of the city  
that were going to receive the larger  
amount of the lateral sewer work.  
These are not answered fully, but one  
official informed a Capital reporter  
this morning that the main idea in  
compiling the 1914 program was to  
include the main roads and the  
sections with the highest popula-  
tion.

Boulevard has been practically  
left out as a lateral sewer, but there  
is a question as to how far back  
the lateral will go.

Work on the lateral sewer will  
begin in the early part of May  
and will continue for about a  
couple of miles which were autho-  
rized last year and will have to be  
completed this year. Considerable seed-  
ing is planned for the lateral sewer  
work, and the cost of the lateral sewer  
will not be in first class shape. Water  
and sewer, paving and paving have been  
considered the most essential and have  
been reduced to the lowest possible  
minimum.

## Lateral Sewer Cost

There will be expended for lateral  
sewers approximately \$1,075,200 divided  
as follows: West of First street \$150,000; East of First street \$150,000;  
South of the river and east of Main  
\$140,925; west of Main street \$43,492.  
In addition to this there is an amount  
of \$17,500 to be spent in the area im-  
mediately tributary to First street.  
The construction of trunk sewer will  
be a continuation of last year's pro-  
gram, except for a small amount of  
some 150 feet on the south side.

At present the existing system is  
roughly 20 per cent. east of First  
street, 30 per cent. west of First,  
and 20 per cent. south of First.

Approximately 100,000 square feet of  
concrete walk are included, 250,000 in  
the west end, 145,000 in the east end  
and 150,000 yards of the river roughly  
spaced over 100 feet east and 60 feet  
west of Main street.

The plank walk program contains  
some 30 odd miles 12½ miles proposed  
for the south side of the river with  
10 miles proposed for the north side and  
25 miles west of First street.

At present time there is approximately  
50 per cent. of the pavement in the  
east end, 20 per cent. in the west end  
and 20 per cent. on the south side.

It is proposed to lay 100,000 square  
feet of grading east of First street and about  
three miles on the south side.

Watermain will cover the same  
area as the lateral sewers.
